Dear Mrs Lister

Re: German Shepherd Dog (Alsatian)

At the first meeting between the Kennel Club and the German Shepherd Dog breed clubs which had signed the formal Undertakings the question of the formal nomenclature of the breed was raised. At this meeting the Kennel Club gave a commitment to consult on whether the word (Alsatian) be dropped from the formal title of the breed.

Before considering this proposition, the General Committee would like the benefit of your Club/Society's views on removing (Alsatian) from the name of the breed.

It is understood that you may wish to consult with your members on this matter, but in order for your club's views to be considered by the Committee your response should be submitted to the Kennel Club by the end of August 2010.

Thank you in advance for your consideration.

Yours sincerely,

Kathryn Symns
