Dear Mrs C Lister

I am writing to advise that at its meeting on 15 February 2011 the General Committee reviewed the Kennel Club Code of Ethics, as per Kennel Club Regulation C2.e.

The following amendment to Clause 2 of the Code has been made :

'Will agree without reservation that any veterinary surgeon who performs an operation on any of their dogs which alters the natural conformation of the animal, or who carries out a caesarean section on a bitch, may report such operations to the Kennel Club.' **[Addition underlined]**.

All Kennel Club registered Breed Clubs are required to adopt the Kennel Club Code of Ethics, in accordance with the above Regulation and therefore we must request that the amendment is incorporated into your version of the Code as it appears on website or printed club documents. We would also request that your members are notified of the change at the earliest convenience.

Yours sincerely
