

May I take this opportunity to remind members that nominations to Council for the 2021 AGM should be made in writing to the General Secretary (secretary@gsdleague.co.uk) no later than the 1st February, 2021? The League Council meets at least four times a year, at least two of those meetings are held physically in the Midlands area. Council members are responsible for all aspects of the running of the organisation and will assume responsibility for some specific areas such as member administration, magazine editor, leading a section (show, companion dogs, agility etc), running events, raising funds and so on. If you are passionate about the German Shepherd and believe that you have skills and time to offer to the organisation then please consider standing for election and help Council take on the challenges post-Covid.

The GSD League is at a pivotal point in its development and I hope that those who wish for the organisation to remain dedicated to the German Shepherd and all aspects of its welfare and enjoyment will attend the AGM when it can be held and secure the future.

Kind Regards,
